AHUF CAFE

MAY 2025–NOW

Web Designer

- Worked on an online presence of AHUF Cafe, a Jaipur-based vegetarian restaurant.
- Used an eye-catching visual format to highlight a rich menu that included Indo-Chinese and Desi fast food.
- Emphasized dine-in, delivery, ongoing deals, and location highlights to attract and inform visitors.
- Strengthened local presence through improved digital branding.
- Concentrated on making the mobile experience smooth and the navigation as a whole seamless.

AHITECHNO

2023

Web Designer

- Built and maintained the company's online identity, targeting service promotion and client outreach.
- Utilized HTML, CSS, and JavaScript for efficient loading and cross-device compatibility.
- Engaged in SEO practices to obtain better rankings and customer acquisition.
- Crafted layouts featuring service overviews, contact forms, blogs, and quotation sections.
- Elevated user engagement through thoughtful interface structuring.

AHECOUNSELLING

2024

Web Designer

- Designed a digital platform that an academic support system can be accessed by just any person anywhere across the globe.
- Employed HTML, CSS, JavaScript, and Bootstrap to ensure seamless cross-device functionality.
- Streamlined layout and visual presentation to match academic service expectations.
- Enhanced performance via page speed and accessibility improvements.

PERSONAL PROJECTS

RESTAURANT WEBSITE

2024

Technology Stack: React.js, Material UI

- Construct a mobile-first web application using React, deployed on Netlify.
- Created fluid navigation and dynamic menus within a polished interface using Material UI.
- Applied component-based structure and state management for interactive behavior.
- Obtained the practical knowledge of contemporary front-end website deployment and performance optimization.
